No. 115. Read the following letter from W. HUDLESTON, Esq., Secretary to the Board of Revenue, to the Collectors of Salem, Coimbatore and Malabar, dated Madras, 29th May 1863, No. 3,211 :—

In continuation of their Proceedings dated 15th May 1863, No. 2,893, I am directed by the Board of Revenue to forward for your guidance the accompanying Subsidiary Instructions relating to the sale of assessed waste on the Sheravars, Bilcherries and in Wynad under the Rules dated 6th March 1863, and numbered 478A.

1. Collectors shall open and carefully and punctually maintain Registers of tracts reserved from the operation of these Rules as being required for forest purposes, for grazing or firewood preserves, for building sites, or for any other public object, copies of the entries in the Registers shall be regularly forwarded to the Board of Revenue. These Registers shall be available for reference by intending purchasers of waste land, on application at the Offices of the Collector or the Board of Revenue. The Conservator of Forests will be consulted by Collectors in regard to forest tracts which it may be desirable to reserve, and the orders of the Supreme Government on this point (Board's Circular Order dated 17th December 1862, No. 8,207) will be kept carefully in view.

3. Where no such objections are known to exist, the Collector shall have the land demarcated and surveyed without delay, and then issue the prescribed advertisement, carefully observing Rules 8 and 9.

4. A separate Register of all sales under the Rules shall be kept in the Collector's Office in English in the following form:—

[illegible]

*Proceedings of the Madras Government, Revenue Department,  
6th July 1863.*

The original maps or plans and survey records of all such lands shall be kept in a series corresponding with the number in this Register.

5. The Deeds are to be executed in duplicate, and after being properly filled up and signed will be submitted through the Board for the sale of Government. When returned, one copy is to be delivered to the purchaser and the other carefully preserved by the Collector.

6. The receipts at the foot of the several Deeds are to be signed by the Collector.

7. The instructions in the margin of the forms of Deeds attached to the Rules must be carefully observed. Blank forms (without these directions) will be forwarded for use.

8. The lots must be consecutively numbered in the order of sale without reference to locality, and the Deeds must bear corresponding numbers.

9. The plans to accompany the Deeds must be signed by Collectors and securely attached to the Deeds.

10. Copies of the Rules should be supplied to Tahsildars and others for sale to the public at 4 Annas per copy.

11. All sales of waste land made under the Rules shall be reported immediately to the Board of Revenue.

12. Every six months a report shall be furnished by the Collector to Government, through the Board of Revenue, of all sums that may have been realized within the previous six months as purchase money and interest.
