PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from A. W. PHILLIPS, Esq., Civil and Sessions Judge of Chingleput, to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Chingleput, 21st May 1863, No. 212.

SIR,

With reference to the Proceedings and Order of the Madras Government, dated 22nd April 1863, No. 620, sanctioning certain arrangements suggested by the Inspector General of Mofussil Police, regarding the withdrawal of the Police Guard from the Courts, I have the honor to submit, for the information of H's Excellency the Governor in Council, that the Collector's Treasury to which the Inspector General suggests remittances should be daily made, is in this District no less than 30 miles from the Court, and the nearest Talook Cutcherry eight, through a very wild tract of country which renders the carrying out of his suggestion impracticable, unless, as I would urge, and as I believe the Collector of the District would agree with me in thinking it would be desirable on many grounds, the Talook Cutcherry were removed from Tiruka'lukandram to this station. I beg also to submit that when the Inspector General somewhat authoritatively lays down, "there is or ought to be no Cash Chest in any Court House," he overlooked the fact that there is a large Jail, to meet the Contingent expenses of which it is necessary to keep Rupees 2,000 in hand, the natural receptacle for which would be a Cash Chest, and the place for it to be kept in would, I presume, be the Court House.

ORDER THEREON, 23rd May 1863, No. 801.

The suggestion made by the Civil and Session Judge, that the Talook Cutcherry at Tiruka'lukandram should be removed to Chingleput, will be considered in the Revenue Department.

(True Extract.)

(Signed) A. J. ARBUTHNOT, Chief Secretary.

ORDER THEREON, 3rd June 1863, No. 915.

Referred to the Board of Revenue for report.

(True Extract.)

(Signed) J. D. SIM, Secretary to Government.

1. The Board observe that in the new arrangement of Talooks for the Madras District, the Chingleput Talook was formed of the two old Talooks of Chingleput and Tiruparoor. The united Talook was named Chingleput, though the Kasbah was retained at Tiruka'lukandram, and the reasons for fixing the Kasbah at this place were, because it was already the Kasbah, because the Cutcherry there had recently been put into thorough repair, and because the situation was central; while Chingleput was altogether out of the way for the rest of the Talook, and there is no building there for a Cutcherry. See Collector's letter to Mr. Pelly, dated 30th December 1859, paragraph 7; Report to Government, 3rd January 1860, No. 113; and Government Order, 17th January 1860, No. 79.

2. Forwarded to the Collector of Madras for report.
