*Proceedings of the Madras Government, Revenue Department,
7th July 1863.*

No. 131. Read the following Proceedings of the Board of Revenue, dated 19th June 1863:—
Read Proceedings of the Madras Government, dated 15th June 1863, No. 1,014, Revenue
Department.

(In Cons. 16th June 1863, No. 3,703.)

1. Communicated to the Collector of Tanjore, who will report on paragraphs 2 and 3 of the Government Order.
2. The Board, however, observe that it is not a question of displacing Negapatam Salt, but of supplementing a source of supply which is insufficient to meet the demand.
3. The Board have little doubt that Salt of superior quality can be manufactured at Vedar-niem more cheaply, speedily and extensively than in almost any other position on the coast.
4. The special discount on the manufactured article will not be necessary after September, when the Salt will have taken a position in the market.
