Proceedings of the Madras Government, Revenue Department, 13th July 1863.

No. 262. Read the following Proceedings of the Board of Revenue, dated 2nd July 1863 :—

Read the following letter from R. W. NORFOR, Esq., Superintendent of Stamps, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Madras, 30th June 1863, No. 1,375 of Fasli 1272.

SIR,

With reference to the Proceedings of the Madras Government, dated 22nd June 1863, No. 1,100, and to the Order of the Board of 26th idem, communicating a Despatch from the Secretary of State for India, dated 16th May 1863, No. 23, I have the honor to forward an indent showing the quantity of water-marked paper required for the use of the Stamp Office for the year 1864, the quantity is equal to two years' consumption in order to have one year's reserve to guard against short supplies.

2. It is necessary to observe that in Invoices received up to this time, the ream packets are not made up of 500 but of 480 sheets to the ream.

Ordered to be submitted with reference to their Order quoted by the Superintendent.

(A true Copy and Extract.)

(Signed) R. A. DALYELL, *Sub-Secretary.*

No. 263. ORDER THEREON, 13th July 1863, No. 1,281.

1. The indent submitted with these Proceedings is not in the form prescribed by the Secretary of State in his Military Despatch, dated 24th October 1860, No. 161, for the several descriptions of stores which may be required from England. A copy of the Despatch which contains instructions on the subject and the form for the stationery indent will be furnished to the Superintendent of Stamps through the Board of Revenue, in order that he may revise his indent accordingly and submit it as soon as possible.

2. The indent now before Government does not specify the date on which the water-marked paper required should be transmitted from England, as required in paragraph 4 of the Despatch from the Secretary of State, dated 16th May 1863. The Board will request the Superintendent to supply this information. The Government deem it preferable to propose two or three convenient instalments for the supply instead of desiring the whole to be sent by one opportunity.

(Signed) J. D. SIM,
Secretary to Government.
