*Proceedings of the Madras Government, Revenue Department,
14th July 1863.*

No. 273. Read the following Proceedings of the Board of Revenue, dated 27th May 1863,
No. 3,139:—

Read the following letter from V. RAMIANGAR, Deputy Collector Namkul Division, to
the Honorable D. ARBUTHNOTT, Collector of Salem, dated 23rd February
1863, No. 10.

SIR,

1. I have the honor to report on the Board Petition
No. 3,820 of 1862. marginally noted.

2. It appears from information furnished by the Namkul Tahsildar that one Vencataramana Char is the registered owner of three-eighth share of Survamanum land in the Vengaray Agraharum; that this person mortgaged the share so far back as the Tamil year Streemukha (A. D. 1813-14) to one Lutchmeenarasien, who in his turn rented it some years ago to one Suba Row, who now holds possession of the Inam; that the Petitioner in the months of September and November last, purchased the said share from the grandsons of Vencataramana Char for the sum of 357½ Rupees, and that on proceeding to take possession in virtue of this purchase, the Petitioner was opposed by the renter Suba Row, who declines to surrender the land. It is to obtain possession from this party that Petitioner seeks permission to sue him in the established Courts, and I am not aware of any objection to a compliance with the application.

3. The Inam Commissioner's Department have not yet commenced operations in this division.

4. The Petition is herewith returned.

Endorsement.

The Collector observes that under the Board's Circular dated the 27th July 1848, and the Government Notification appended thereto, the sale of the Inam referred to in the Petition was objectionable. He would, therefore, recommend that the sanction sought for be refused, and that the settlement of the Inam may be left to the Inam Commissioner.

SALEM, 24th March 1863.

(Signed) D. ARBUTHNOTT, Collector.

To the Secretary to the Board of Revenue.

ENCLOSURE No. 1.—Petition.

1. Ordered to be submitted for the consideration and orders of the Governor in Council.

2. The Board do not concur with Mr. Arbuthnott in considering that there is much objection to the grant of Petitioner's request. The land has been sold to Petitioner by the grandson of the registered holder, and possession is refused by the renter of the person to whom the registered holder himself mortgaged the land. The mortgage by the grandfather was as much contrary to rule as the sale by the grandson, and as it is now too late to object to the former, the Board would be in favor of permitting the latter to stand good. The circumstance of the Inam land having passed out of the family of the original grantee will of course be duly considered by the Inam Commissioner in fixing the Quit-rent. The Government, therefore, are not likely to sustain any loss by the grant of the Petitioner's request.
