Proceedings of the Madras Government, Revenue Department, 15th July 1863.

No. 305. Read the following Proceedings of the Board of Revenue, dated 20th October 1862, No. 6,979:—

Read the following letter from E. B. FOORD, Esq., Acting Collector of the Kistna District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Masulipatam, 7th October 1862, No. 247.

SIR,

1. With reference to Board's Proceedings of the 19th ultimo, No. 6,294, communicating the Order of Government, dated 17th idem, No. 2,014, relative to office accommodation for the Deputy Collector in charge of the Salt Department of this District, I have the honor to report that having made inquiries as to whether any house could be procured at Nizampatam suitable for the purpose, I have ascertained that there is no house whatever available, Nizampatam being but a small sea port village. The only course to be adopted to provide the Deputy Collector with office accommodation, is to have a new house built.

2. The constant presence of the Deputy Collecor will be required for some time on this side of the Kistna to superintend the formation of new Salt pans at Manganapudi. There seems therefore to be no immediate necessity for his being provided with accommodation at Nizampatam.

---

1. Submitted to Government with reference to their Order quoted by the Collector.

2. If a house is to be built at Nizampatam as the Deputy Collector's Office, that Officer's temporary absence at Manganapudi does not, in the Board's opinion, do away with the immediate necessity for taking steps for providing such accommodation.

(A true Copy and Extract.)

No. 306. ORDER THEREON, 15th July 1863, No. 1,303.

1. The Government doubt whether Nizampatam is altogether the best place for the head quarters of the Deputy Collector in charge of the Salt Department. It certainly is the most central, but it is said to be the least important station. If it be the case that the head quarter station is the place where the Deputy passes several months in each year, it seems best that the most important Salt Depôt, the one where his presence is most needed, should be selected; if however, the Deputy passes no more of his time at his "head quarters" than at other places, then Masulipatam would be as eligible as any other.

2. With these remarks the Government will leave the matter to the Board's decision.

(Signed) J. D. SIM,
Secretary to Government.
