*Proceedings of the Madras Government, Revenue Department,
18th July 1863.*

No. 366. Read the following letter from E. B. FOORD, Esq., Acting Collector of the Kistna District, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Masulipatam, 9th July 1863, No. 9:—

SIR,

1. I have the honor to forward, for the favorable consideration of Government, a copy of a letter addressed to me by M. Nursimha Puntooloo, Deputy Collector in charge of the Treasury of this District, and a copy of a Medical Certificate, the original of which, he tells me, he has already sent to the Private Secretary to His Excellency the Governor.

2. Nursimha Puntooloo informed me in a letter dated 21st June last (at which time he was absent on leave) that his son with whom he had "divided" had joined a Company which had been formed for the purpose of renting the Devaracotta (Sullapilly) Estate from the Zemindar; and he at the same time asked me whether, under this circumstance, I saw any objection to his continuing to hold office in this District.

3. I informed him in reply, that I thought it would be very objectionable for him to do so; as it would be considered that his official influence had been brought to bear on the Zemindar, to induce him to give his Estate in rent to a Company, in which his (Nursimha Puntooloo's) son was a shareholder.

4. This would undoubtedly be the general opinion of his own countrymen, however groundless that opinion might really be; and I would therefore beg to recommend that on this ground only, Government will be pleased to transfer him to another District.

5. His leave on Medical Certificate expired yesterday, on which day he resumed charge of his duties.

6. It is due to him to say, that I have been quite satisfied with the manner in which he has transacted his duties as Deputy Collector in charge of the Treasury, in which capacity only he has been employed in this District.

7. It is not within my province to express an opinion regarding his health, further than to remark that he still appears to be far from well; and it is well known that Natives of the inland Districts, adjacent to Madras, seldom completely recover from the disease (beri-beri), with which he has been suffering, if they remain in the Northern Circars.

8. He requests me to beg that he may not, if possible, be removed to a District at a very great distance from this, as he is not strong enough to undertake a long journey. He is, however, aware that this must depend on public convenience.

9. I beg therefore to recommend his transfer on this ground also.

No 367. ORDER THEREON, 18th July 1863, No. 1,333.

1. The Collector is requested to obtain and submit a Medical Certificate of the Deputy Collector's present state of health and fitness for duty. He will also ascertain where the Deputy Collector passed his last leave.

2. The Government do not regard the circumstances stated in paragraphs 2 to 4 as necessarily calling for the Deputy Collector's transfer. He ought to have reported his son's intentions before they were carried out.

(Signed) J. D. SIM,
Secretary to Government.

2
I, C. Robertson M.D. Civil Surgeon at
Masulipatam, do hereby certify that Mr. Chaturanga Prasad
Deputy Secretary is in a bad state of health, & do solemnly
& sincerely declare that according to the best of my
judgement, the climate of Masulipatam is unsuitable
to his constitution & I do therefore recommend that
may return permanently to Madras.

Chaturanga Prasad.

I submit to His Excellency the Governor my request to be
transferred to Madras, but it appearing now that the vacancy
which occurred there was granted to another candidate, I
find at present no success, and have on the expiration of
my present leave only to resume my duties as I find my-
self better in health.

2 But I am not yet certain what would be the state
of my health if I live most time at Masulipatam & I beg
at the same time to state that subsequent to the said certi-
ficate and my application for transfer, based on the strong
recommendation of the Medical Officer, my son (deceased)
who was already travelling in piece was under the impression
that my connection with this District will cease, engaged
with a company, who have since arranged to take the
Tallapelly Estate in rent from July next. Although

I have not had the slightest official connection with any Zamindar or his Estate or any Revenue or Magisterial Charge, excepting the supervision of Treasury and account Departments, & it is natural that people unemployed in the Government service though connected with Government servants have to look to their own professions. I am inclined to think, in order to avoid any thing, being eventually said against my son being one of the share holders, that I should, if it please Government get rid of Travancore, of which I began to fear, from the first, as being a sickly climate; & have therefore the honor to bring the matter myself to notice before the commencement of the rent in question; & before I resume my duties in this District, with a request that you will be so kind as to forward to Government this my application for a transfer to another District near Madras, it being the only climate which agrees with my constitution.

3 Having already undergone a considerable expense & trouble by my transfer to this District, I trust that my case will receive a favorable consideration on the present occasion.
