Proceedings of the Madras Government, Revenue Department, 23rd July 1863.

Read the following :—

No. 443. Proceedings of the Board of Revenue, dated 4th May 1863, No. 2,627.

Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Salem, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 13th April 1863, No. 58.

SIR,

1. With reference to the Board's Proceedings dated the 10th November last, No. 7,381, I have the honor to submit a Tabular Statement in the prescribed form for the Bungalow Establishments entertained in this District under the orders of the Madras Government, dated the 1st October 1861, No. 1,896.

	Rs.	A.	P.
Two Mattes on a salary of 6 Rupees per mensem	— 12	0	0
Cooks on 3½ Rupees per do.	.. 7	0	0
	19	0	0

2. The Government having sanctioned, as an experiment for one year, two sets of servants as mentioned in the margin, viz., one set for the Travellers' Bungalow at Salem, and the other at Senkerrydrug; they were entertained accordingly by Mr. Brett, the late Collector, from the 1st August 1861, and their salaries were hitherto paid from Miscellaneous Advance Fund. I removed these two sets of servants from these Bungalows, and placed one set at the Tripatur Travellers' Bungalow, and the other at the Namkul Travellers' Bungalow as I reported to Board in letter No. 192 of the 22nd August 1862.

3. As I am informed that the Bangalore Branch Railway is to be opened shortly, I am of opinion that the servants at the Tripatur Bungalow may be dispensed with, as soon as that line of Railway is opened.

4. Namkul is situated on the high road from Salem to Trichinopoly, and is a line greatly frequented by European travellers. The servants at the Namkul Bungalow may be dispensed with when the South-West Line of the Madras Railway is connected with the Great Southern India Railway.

5. Under these circumstances, I request that the sanction of the Government of India may be obtained to retain the Bungalow Establishments in this District for the present until the lines of rail abovementioned are opened.

6. In conclusion I beg to state that a sum of Rupees 420 was entered in the Budgets of 1861-62 and 1862-63 respectively under the head mentioned in the margin, on account of Bungalow servants, and the sanction of Government has been received for the same.

No. 445.

ORDER THEREON, 23rd July 1863, No. 1,371.

1. With the view of making the accommodation for travellers on the line from Salem to the Neilgherry Hills as perfect as possible, the Collector of Salem, under the authority of the Board of Revenue, entertained from 1st August 1861 a Maty and Cook at each of the Bungalows at Salem and Senkerrydroog.

2. The Board reported the matter on 30th August 1861, and the Government in October* following sanctioned the employment of the servants in question on the usual rates of salary, as an experiment for one year.

* G. O. 1st October 1861, No. 1,896.

3. At the close of this period the Railway was opened to Beypore, and a Hotel had intermediately been established at Salem. The accommodation at the Salem and Senkerrydroog Bungalows not being therefore so necessary as before, the Maty and Cook at each of those buildings were transferred, under the Board's order, to the Bungalows at Tripatoor and Namkal; the former being on the Bangalore road and the latter on the high road to Trichinopoly.

Revenue Board's Proceedings, 4th May 1863, No. 2,827.

4. The servants when originally sanctioned (in October 1861) were ordered to be paid out of the Bungalow Fee Fund, which was then available for the purpose, but it has since been ruled that all receipts from Bungalows should be credited to the General Revenue.

G. O. 4th June 1863, No. 1,229.

5. The entire Establishment maintained at the buildings is noted below with particulars as to the number of travellers frequenting them and the amount of fees realized:—

	Cost of Establishment per mensem.		Rs.	A.	P.	Average number of travellers per mensem.	Average amount of fees per mensem.
Tripatoor ...	Old Establishment...	1 Sepoy ...	2	12	9		Rs.

		1 Cook ...	3	8	0		
			14	4	9	12	11
Namkal ...	Particulars as above		14	4	9	13	9

6. Looking to the amount of fees realized at the buildings, the Government are of opinion that a Maty and Sweeper at each at a cost of Rupees 8 per mensem will suffice, and they grant authority for the retention of these servants, the Sepoy and Cook being dispensed with from 1st August next.

7. The charges for which the sanction of Government of India is required and for which application will now be made are as follow:—

Rupees 19 per mensem being the pay of the two Maties and Cooks at both the Bungalows, with effect from 1st August 1861 to 31st July 1863.

Proceedings of the Madras Government, Revenue Department, 23rd July 1863.

Ordered that the following letter be despatched.

No. 446. From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, dated 23rd July 1863, No. 1,372:—

SIR,

1. I am directed to forward for the sanction of the Government of India the accompanying Tabular Statement of the Establishments at the Tripatoor and Namkal Bungalows in the Salem District. The circumstances under which these Establishments were employed are briefly as follow.

2. With the view of making the accommodation for travellers on the line from Salem to the Neilgherry Hills as perfect as possible, the Collector of Salem, under the authority of the Board of Revenue, entertained from 1st August 1861 a Maty and Cook at each of the Bungalows at Salem and Senkerrydroog.

3. On the matter being reported by the Board, the Government in October* 1861 sanctioned the employment of the servants in question on the usual rates of salary as an experiment for one year.

* G. O. 1st October 1861, No. 1,896.

4. At the close of this period the Railway was opened to Beypore, and a Hotel had intermediately been established at Salem. The accommodation at the Salem and Senkerrydroog Bungalows not being therefore so necessary as before, the Maty and Cook at each of those buildings were transferred, under the Board's order, to the Bungalows at Tripatoor and Namkal; the former being on the Bangalore road, and the latter on the high road to Trichinopoly.

5. The servants when originally sanctioned (in October 1861) were ordered to be paid out of the Bungalow Fee Fund, which was then available for the purpose; but it has since been ruled that all receipts from Bungalows should be credited to the General Revenue.

6. The entire Establishment maintained at the buildings is noted below, with particulars as to the number of travellers frequenting them and the amount of fees realized:—

	Cost of Establishment per mensem.		Rs.	A.	P.	Average number of travellers per mensem.	Average amount of fees per mensem.

7. Looking to the amount of fees realized at the buildings, the Government have ordered the retention of only the Maty and Sweeper at each, at a cost of Rupees 8 per mensem; the Sepoy and Cook being dispensed with from 1st August next.

8. Under this explanation, I am desired to request the sanction of the Government of India to the undermentioned charges:—

1. Ordered that the Tabular Statement received with the above letter be submitted for the orders of Government.

2. In their Proceedings of the 1st October 1861, No. 1,896, Government sanctioned the employment of a Cook and a Maty at the Salem and Senkerrydroog Bungalows as an experiment for one year, subject to report at the end of three months, the Establishment in question being required to carry out the Board's instructions to the Collector to make the accommodation for travellers at the public Bungalows on the line from Salem to the Hills as perfect as possible. The report at the end of three months was favorable, and was duly laid before Government in Board's Proceedings 12th March 1862, No. 1,646. At the close of the year for which the Establishments had been sanctioned, the Railway was opened out to Beypore, thus rendering the accommodation at Salem and Senkerrydroog not so necessary as before (an hotel having at the former place been opened). The Board accordingly approved* the Collector's proposed arrangement for removing the above Establishments to Tripatur on the Bangalore road, and Namkul on the high road to Trichinopoly, both lines being largely frequented by travellers. In their Orders of the 17th September 1862, No. 2,020, Government sanctioned the pay of the duly authorized Bungalow Establishments being disbursed as advances, pending the orders of the Government of India on the provision in the Budget, and the Collector of Salem considered that he was relieved from submitting a Tabular Statement for the continued employment of the transferred Salem and Senkerrydroog Bungalow Establishments; but on being informed that these could not come within the scope of the Orders of the 17th September as duly authorized Bungalow Establishments, he now submits the required Tabular Statement for the sanction of Government from the 1st August 1861, the date on which the servants were entertained.

* Board's Proc. 4th September 1862, No. 5,393.

3. The Establishment at Tripatur will be given up almost immediately, as the Bangalore, Branch Railway is about to be opened, and that at Namkul will be similarly dispensed with on the extension of the South West Line to the Madras Railway.

4. The charge involved has been duly provided for in the Budget of 1862-63, as in that of 1861-62. The Collector has reported (letter dated 25th July 1862, No. 53) that the Civil Paymaster will not admit the charge until sanctioned by the Government of India.
