Proceedings of the Madras Government, Revenue Department, 27th July 1863.

No. 479. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Toonacadavoo, Anamallay Hills, 17th July 1863, No. 601 :—

Sir,

Some extra Elephant labor is most urgently required in the Anamallay forests during this working season, in fact we shall not be able to get all the timber out of the forests without it ; we have at present only six Elephants, one is sick and another is with calf by a Muckna, belonging to the Establishment (a most unusual circumstance I believe, in captivity) there are, therefore, only four Elephants in working condition. I have the honor to request that you will obtain the sanction of the Military Department for the services of six of the Hunsur Commissariat Elephants with their dragging harness. These Elephants have before done good service in these forests. They will be well fed and cared for and their Establishment properly housed. They will be returned to the Commissariat Department about January.

No. 480. Order thereon, 27th July 1863, No. 1,389.

Referred to the Military Department in view to the Elephants being lent to the Forest Department if unobjectionable.
