Proceedings of the Madras Government, Revenue Department, 27th July 1863.

No. 483. Read the following Proceedings of the Board of Revenue, dated 17th July 1863, No. 4,380 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Tenkasy, 2nd July 1863, No. 264.

SIR,

1. With reference to the Order of Government dated 22nd June 1863, No. 1,096, communicated to me by the Board on the 24th idem, I have the honor to state that the Government having, in their Proceedings of 13th April 1863, No. 650, sanctioned the experiment of forming a nursery for breeding Oysters, I requested the Acting District Engineer, Captain Paxton, in concert with the Superintendent Pearl Banks, to frame an estimate for constructing a basin in the harbour of Tuticorin. That Officer states that a sum of Rupees 300 is required for making the necessary survey of the shoal on which the nursery is to be constructed, and to mark out the direction of the walls in such a manner, as to enable the boats to deposit the coral stones required for the walls in the proper line. I therefore request the Board will be pleased to obtain the early sanction of Government for the sum in question.

2. This charge can be met from the sum of Rupees 3,120, allowed in the Budget of the current year under the head of Pearl Fishery on account of contingencies and other items.

1. Submitted for the sanction of Government, with reference to their Proceedings quoted by the Collector.

2. The Board presume that the preliminary survey is necessary before the estimate of total cost, required by Government in their Order of 13th April 1863, can be framed.

No. 484. ORDER THEREON, 27th July 1863, No. 1,391.
