*Proceedings of the Madras Government, Revenue Department,
29th July 1863.*

No. 515. Read the following letter from W. JAMESON, Esq., Surgeon-Major, Superintendent Botanical Gardens, North-Western Provinces, to J. D. SIM, Esq., Secretary to Government, Fort Saint George, dated Camp Hawul Daugh in Kumaon, the 3rd July 1863, No. 377:—

Sir,

1. I have the honor to acknowledge the receipt of your letter No. 999, dated 9th ultimo, with enclosure, and in reply beg to state that the four Native Tea Manipulators engaged by me for the Madras Government, were engaged on the 1st January 1863, the date on which their names were removed from the Muster Roll Book of the Government Plantation at Kowlaghir in the Deyrah Dhuon; that Kowlaghir being five marches from Saharunpoor, they were granted one day to prepare for their departure, and five days to report their arrival at Sabarunpoor, which they did. Pay therefore is due them by the Madras Government from the 1st January 1863.

2. Regarding the item of Rupees 12 (twelve Rupees) claimed on account of horse dāk engaged by them, at the rate of Rupees 3 per man, owing to the drivers of the bullock train having run away, I am not prepared to give a decided opinion, as they did not report the circumstance to me, nor was it reported by them to Dr. Anderson. Had it been reported I would have at once requested the Superintendent Government Bullock Train to investigate into the charge. To do so now, after such a length of time, would result in nothing, as more than probable the parties alluded to are no longer engaged on the bullock train, it, owing to the opening of the Railway, having been broken up in several places. That the men were mulct of the amount mentioned by them I doubt not, and that they acted judiciously in paying the money demanded for the horse dāk, and proceeding to their destination with all despatch as ordered by me, I admit. But in not reporting the circumstance on arrival at Calcutta, they committed an error, which however His Excellency the Governor in Council may be inclined to consider an error of judgement, and as an indulgence and inducement to do good work, allow the money to be reimbursed to them, the more so as they have been reported by the gentlemen under whom they are now acting as "behaving well and in good health."

No. 516. ORDER THEREON, 29th July 1863, No. 1,408.

Ordered to be communicated to the Collector of Coimbatore, with reference to his letter dated 28th May 1863, No. 47. Mr. Grant will pay to the Tea Manipulators their salary from 1st January 1863, as also the sum of Rupees (12) twelve on account of the horse dāk stated to have been engaged by them.
