*Proceedings of the Madras Government, Revenue Department,
30th July 1863.*

No. 535. Read the following Proceedings of the Board of Revenue, dated 21st July 1863,
No. 4,499 :—

Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, dated Chatterpore, 30th June 1863,
No. 119.

Sir,

1. I have the honor to request that the Board will be so good as to submit for the special sanction of Government, the accompanying Bill for Rupees 38-4-8 incurred in January 1862, for the re-making up of the beds and pillows in use in all the Travellers' Bungalows in this District.

2. Since January last, this sum of Rupees 38-4-8 has been repeatedly inserted in the Contingent Charges Bills forwarded monthly to the Civil Paymaster through the Board, and as often struck out by him.

3. In December last, the Bill now submitted was separately forwarded. The Board passed the amount, but the Civil Paymaster returned the Bill unaudited on the ground that the Budget provision for the Bungalows in this District had been exhausted.

4. I should explain that the beds referred to were all torn and dirty, and altogether bad, articles of the most inferior quality having been originally furnished to us. When my Principal Assistant was coming up from Chicacole to settle the Gumsur Talook, I desired him to inspect and report on the beds and pillows in all the Bungalows on the line. He confirmed the statements of those who had been obliged to make use of the Bungalows. Accordingly the mattresses and pillows were all renewed.

5. The Board will, I am sure, acknowledge that charges like those inserted in the Bill now submitted must at times exceed the Budget amount. In fact, when the Budget for 1861-62 was under preparation, the beds were new, and of course the charges since incurred were not even anticipated; hence no provision was made to meet this expense.

6. With this explanation I trust the Board will obtain the sanction of Government to enable the Civil Paymaster to pass this arrear charge.

ENCLOSURE No. 1.—Bill.

Ordered that the sanction of Government be obtained to the charge amounting to Rupees 38-4-8. If it be deemed necessary to debit the charge against the Budget provision for the current year, there will be no difficulty in meeting it.

No. 536. ORDER THEREON, 30th July 1863, No. 1,418.

Sanctioned.
