Proceedings of the Madras Government, Revenue Department, 23rd January 1863.

No. 278. Read the following letter from G. N. TAYLOR, Esq., Inam Commissioner, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Coimbatore, 23rd December 1862, No. 68 :—

SIR,

1. As called for in the Order of Government dated 10th December 1862, No. 2,576, I have the honor to submit herewith a tabular Statement in the prescribed form for the increase proposed to the salary of my Special Assistants.

2. As the Government have been pleased to recognize their claim to the higher salary on the grounds already brought forward, and as there are ample funds to meet the additional charges from the saving in other items for the current official year, I beg to recommend that the increase may take effect from the 1st November 1862, being for the last half of the official year 1862-63.

No. 279. ORDER THEREON, 23rd January 1863, No. 142.

Application will be made to the Government of India for sanction for raising the pay of the two Special Assistants to the Inam Commissioner from Rupees 500 to Rupees 600 per mensem each from 1st May 1863. The Government do not see sufficient grounds for recommending that the increase should have effect retrospectively from 1st November 1862, as now proposed by the Inam Commissioner.

(Signed) J. D. SIM,
Secretary to Government.

Ordered that the following letter be despatched :—

No. 280. From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, dated 23rd January 1863, No. 143.

SIR,

Letter from Inam Commissioner, 4th October 1860, No. 354, with G. O. 10th October 1860, No. 1,833.
Letter from do. 30th October 1862, No. 56, paragraph 4, with G. O. 10th December 1862, No. 2,576, paragraph 5.
Letter from do. 23rd December 1862, No. 68, with G. O. 23rd January 1863, No. 142.

1. I am directed to submit for the favorable consideration and orders of the Government of India the accompanying papers, having reference to a proposal made by the Inam Commissioner for raising the pay of his two Special Assistants.

* Proceedings Madras Government, 14th June 1859, No. 784. Endorsement Government of India, 28th January 1861, No. 209, Home Department.

2. Under the sanctions noted in the margin* these Officers now draw a salary of Rupees 500 per mensem each; and the Inam Commissioner explains that this rate was originally fixed by him in 1859 when the Native service in this Presidency had not risen to the high position which it now occupies. The office being however one of great trust and responsibility, and one requiring a high degree of talent, judgment and official experience, the Commissioner thinks that the position of his Assistants should not be lower than that of a First Class Deputy Collector in the General Department, and which, he remarks, they might ere this have attained but for their employment in the Commission. The Commissioner accordingly recommends that their salary should be raised to Rupees 600 per mensem each, which as he points out will be within the limit of 1,200 Rupees originally sanctioned by the Home Government in 1858† for a Deputy Commissioner, in whose place the two Special Assistants are now employed.

† Despatch of Court of Directors, 1st September 1858, No 8, paragraphs 30 and 31.

3. This Government consider that the Special Assistants of the Commissioner have well earned the promotion proposed for them, and under the circumstances represented, direct me to recommend the Commissioner's proposal for the sanction of the Government of India; the increase, viz., Rupees 200 per mensem, to take effect from 1st May 1863. The necessary provision has been made in the Budget for 1863-64. The Inam Commission is of a temporary character; but on its closing its work, which is expected to take place before the end of the official year 1863-64, the Officers now in question will be absorbed in the General Department.

4. A Tabular Statement in the prescribed form is enclosed.

Proposals of proposition

Para 6 of the Commissioner's letter to Government dated 23rd October 1862 [illegible]

In venturing on the present occasion to renew my former recommendation, I desire to point to the unusual zeal and activity which they have brought to bear for the performance of the important duties entrusted to them during the period of this year, and to the fact that their employment during that period of Government & the public has been of such a character, that their services are as valuable, but considerably more onerous, than they might otherwise be in this Commission, where their duties are of the high position they might attain in the Department & the ordinary line of the public Service.

The proposed additions will raise their salary [illegible] occupied in the General line of the public Service.

The proposed additions will raise their salary [illegible] to that of Head Clerk Deputy Collectors in the General Department and will still be within the limit of 1200 Rs per annum originally sanctioned in the despatch of the Court of Directors dated 1st September 1858 Para 30 and 34 for a Deputy Commissioner in whose place the two Special Assistants are now employed. Para 34 the two Special Assistants are now employed. Should sufficient savings in other charges of the Department be effected in the current Official year 1862/63 to meet the above proposed increase which is recommended to take effect from 1st November 1862
