*Proceedings of the Madras Government, Revenue Department,
30th July 1863.*

No. 542. Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 27th July 1863, No. 930/51:—

SIR,

Dated 22nd July 1863, No. 82.

1. I have the honor to submit an original letter from Mr. R. K. Puckle, Deputy Director of Revenue Settlement in Trichinopoly, applying for an Office allowance, on the ground of the heavy expense to which he is put in providing accommodation for his establishment.

2. Mr. Puckle labors under a misapprehension in supposing that he is required to find at his own cost accommodation for all the field and extra establishments as well as for the village officers, who may assemble for the registry of the villages or for the Settlement Jamabundy. He draws a Sub-Collector's extra tent allowance and is consequently bound to find accommodation for his ordinary Office establishment, which is larger than that of a Sub-Collector; but when the field parties come in for the recess, or when large extra establishments are entertained, it has been the practice for the Director, under the authority granted to him by Government in their Order dated 24th December 1859, No. 1,774, to sanction the erection of the necessary temporary sheds, or which comes to the same thing, the renting of a house when available. This practice would have been followed in Trichinopoly had the usual application been received from Mr. Puckle, and I propose to instruct him to follow it in future. My object in now addressing Government is to request permission to repay to Mr. Puckle the expense which he has incurred in renting house accommodation over and above that required for his own regular Office establishment. The Budget of the Department will meet the charge.

3. The use of tents may be found more economical in the Talooks than the building of sheds, and in that case I request that Mr. Puckle may be authorized to indent on the Commissariat for the number required.
