*Proceedings of the Madras Government, Revenue Department,
31st July 1863.*

No. 564. Read the following Proceedings of the Board of Revenue, dated 24th July 1863 :—
Read the following letter from J. FRASER, Esq., Acting Collector of North Arcot, to W.
HUDLESTON, Esq., Secretary to the Board of Revenue, dated Chittoor, 17th July
1863, No. 135.

SIR,

I have the honor, with reference to the Proceedings of the Board, dated 14th January last, No. 215, to forward herewith the plan of the Cantonment of Arcot with the new boundaries of the Cantonment as proposed by the Officer Commanding the Station duly marked therein in red ink. The Executive Engineer Captain Rogers has been consulted in the matter, and quite approves of the proposed boundaries. The Officer Commanding has requested that orders may be given for the discontinuance of all cultivation within those limits. The Board will observe on a reference to the plan that with the exception of a small patch of ground on the north-eastern side of the Cantonment, there is no cultivation carried on within the proposed limits. As the ground in question has been cultivated from a very long period, and as the prohibition to cultivate it will involve a question of compensation, the Officer Commanding has upon a representation of these circumstances consented to its being cultivated on the understanding that the cultivation was not to be extended. I have issued orders accordingly:

Ordered to be submitted to Government, with reference to their Order, dated 12th January 1863 in the Revenue Department.

No. 565. ORDER THEREON, 31st July 1863, No. 1,427.

Referred to the Military Department, with reference to the Order in that Department, dated 18th December 1862, No. 4,316. There is no objection in the Revenue Department to the limits now proposed for the Cantonment of Arcot, but the cultivation of private lands within the boundary cannot be prohibited or limited without compensation.
