Proceedings of the Madras Government, Revenue Department,
31st July 1863.

No. 566. Read the following Proceedings of the Board of Revenue, dated 24th July 1863, No. 4,606 :—

Read the following letter from Captain R. N. TAYLOR, Deputy Superintendent of Coorg, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 20th July 1863, No. 395.

SIR,

1. I have the honor to report that after a lengthened trial in all parts of Coorg, of the Tea seeds sent to me by you for distribution in this province, it has been found that the seeds are bad, and have not germinated at all in nearly every instance.

2. They have been tried in the best places, and under most advantageous circumstances, with similar ill-success.

3. As the season will still admit of sowing, may I request the favor of being supplied immediately by banghy with some fresh seed, if in the power of the Board to do so.

The Board regret that they have no Tea seed on hand at present, but the above letter will be submitted to Government with the request that it may be communicated to Dr. Cleghorn in view to special care being taken with the next batch of seed.

No. 567. ORDER THEREON, 31st July 1863, No. 1,428.
