*Proceedings of the Madras Government, Revenue Department,
3rd August 1863.*

Read the following letters:—

No. 10. From Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 19th June 1863, No. 565.
SIR,

I have the honor to submit an abstract of the last sanctioned scale of Forest Establishment and the comparative statement of actual receipts and charges, and the entries of the Budget Estimate for 1862-63 required by the Government of India in Circular No. 16 of 1863, communicated in G. O. No. 562, dated 23rd March 1863.

No. 11. From Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 25th June 1863, No. 577.
SIR,

I have the honor to forward an estimate of the yield of timber of the Forest Conservancy Department during the official year 1862-63 as called for by the Government of India in Circular No. 16 of 1863, communicated in G. O. No. 562, dated 23rd March 1863.

No. 12. ORDER THEREON, 3rd August 1863, No. 1,440.

1. With these letters the Acting Conservator of Forests submits statements of sanctioned Establishments, of estimated and actual receipts and disbursements in 1862-63, and of the yield of timber during the year, called for in the letter from the Government of India, dated 2nd March 1863, Circular No. 16. But as the Government observe several discrepancies between these and the financial statement appended to the annual Report on the forests for 1862-63 as shown in the subjoined table, they resolve to return them to Captain Beddome with instructions to submit revised statements as early as possible:—

Items.	As entered in the Forest annual Report for 1862-63.	As entered in the separate Statements furnished by the Conservator.
	RS.	RS.
Balance of timber on 30th April 1863.	4,82,362	4,87,398
Actual receipts	1,82,334	1,82,922
Actual disbursements	1,75,768	1,64,791

2. The entries of the Budget Estimate for 1862-63 should also be correctly given so as to correspond with the final Budget which received the sanction of the Government of India.

3. The statement of establishment submitted with Captain Beddome's first letter is not complete. It shows only the establishment sanctioned by the Government of India on the 3rd May 1862, though several changes and additions have been subsequently made. That Government require "an abstract of the last sanctioned scale of Forest establishment," or the sanctioned establishment as it stands at present. This statement should also be revised accordingly.
