*Proceedings of the Madras Government, Revenue Department,
3rd August 1863.*

No. 13. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Coimbatore, 25th July 1863, No. 609 :—

SIR,

1. I have the honor to forward copy of a letter from the Collector of Cuddapah suggesting that a certain portion of the Forest Revenue for 1862-63 should be spent in the repairs of the roads in the vicinity of the forests.

2. The roads alluded to by the Collector are, I believe, high roads through the District, and the timber carried over them can be only a small portion of the traffic.

No. 14. ORDER THEREON, 3rd August 1863, No. 1,441.

Mr. Smith is mistaken in supposing that surplus Forest Revenue can be applied to the repair of the general communications of a District. He should bring the state of the roads which he mentions to the notice of the Superintending Engineer of the Division.

To

Captain C. W. Beddome
offg Conservator of Forests.

Sir

As I believe it is the wish of Government that the surplus sums realized after paying expenses by the Forest Department; should be expended in improving the forests and the communications with the forests, and as I observe you have some seven thousand rupees from the Buddapah collection as balance of last year. I should feel much obliged if you could spare some of this sum for repairing the roads in the Nagam, Kell and Sidhant Taluqs which are much worn by bandits conveying timber &c from the Forests.
