*Proceedings of the Madras Government, Revenue Department,
4th August 1863.*

No. 28. Read the following letter from R. W. LODWICK, Esq., Acting Deputy Auditor and Accountant General, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Fort Saint George, 30th July 1863, No. 140:—

SIR,

I have the honor in reply to Government Order No. 1,355, dated the 21st instant, to submit a Statement in which I have placed the receipts of the Forest Department for the year 1862-63, as taken from the Collector's accounts, in juxtaposition to the items given by the Officiating Conservator of Forests. You will observe in some instances large discrepancies between the two, and this may be accounted for by the receipts of the Forest Department not having been shown up to this time in the Collector's accounts separately under a distinct head of account, but exhibited under the head "Sayer," whereby items which in reality partly belong to the Forest Department and partly to Miscellaneous resources of Land Revenue, appear in the accounts as altogether appertaining to "Sayer." This will, however, cease to be the case henceforward as a separate head of Forest has been opened.
