14	Poonjee Dahet Inamdar Hussan Beebee.	RS. A. P. 8 0 0	13th June 1851.	Maintenance or Madadmash. — Hereditary.	From 1st January 1861 to 31st March 1863.	RS. A. P. 18 0 0	The Pensioner, who was drawing her pay quarterly, appeared before the Deputy Collector Mr. Locke on the 7th May 1862, and requested the payment of arrears of her pension for sixteen months from 1st January 1861, during which period, she alleged, she was unable to appear from illness. Mr. Locke issued an order to the Tahsildar of Walaja, where in the village of Poonja, her usual place of residence is situated, directing him to ascertain and report whether her allegation was true; and the Tahsildar replied that she was not to be found in that village. After an interval of nine months, Pensioner again appeared and petitioned the Collector in February 1863, claiming the payment of her pension, and then gave the names of Vettuvanum and Tippasamudram appertaining to the Talook of Vellore as the places of her residence. An order was immediately issued to the Tahsildar of that Talook to inquire and report whether she was really sick, whose reply, dated 16th April 1863, based upon the statements of the Monigars of the village in question confirm her allegation. She was also mustered by the late Acting Deputy Collector in charge of Treasury. As she claimed her pay within two years, the Collector begs to recommend that sanction may be accorded for the disbursement of the arrears of pension as per column 7 and its continuance.		

1. Submitted for the sanction of Government.
2. The Acting Collector will report on what authority this petty allowance is stated to be hereditary.
3. Its commutation for a present payment is very desirable.
