With reference to their Proceedings No. 2,610, dated 2nd May 1863.

*Proceedings of the Mhdras Government, Revenue Department,  
5th August 1863.*

1. Ordered to be submitted for the information of Government, with reference to their Proceedings dated 29th April 1863, No. 740.

2. The Board observe that the Establishments kept up at the Bungalows of Honnur, Gollah, Parur, and Kogirah, will have been dispensed with under their orders of the 20th May 1863, No. 2,934, and 24th July 1863, No. 4,595, wherein the Collector has been authorized to make over these buildings to the custody of the village authorities, the Government will be informed that the Honnur, Gollah, and Parur Bungalows are not required by the Police and Educational Departments for official use, but that they will always be useful as places of shelter to Officers of the Police and Public Works Departments on their tours; and that for very similar reasons the Kogirah Bungalow also has been retained.

3. The Collector will be requested to report why the Establishment at the Jallipetta Bungalow should not be given up at once, as well as the more expensive one at Guntacul, where but one traveller has halted during all last year. The Hurpunhalli and Antapur Bungalows also seem to be unnecessary.

4. As the Madavaram Bungalow is on the Tumbudra on the high road to Secundrabad, it has been allowed to be kept up at the express recommendation of the Acting Collector and District Engineer; but the Board see no reason why the Establishment should not be dismissed, and the building consigned to the charge of the village authorities.

No. 43. ORDER THEREON, 5th August 1863, No. 1,458.

The Bungalows mentioned in paragraph 2 of the Board's Proceedings as well as the building at Jallipetta should be sold if not required for public purposes. They are not frequented by travellers, and to retain them without Establishment will only entail frequent expense for repairs. Officers in the Police and Public Works Departments all receive liberal travelling allowance, and Government cannot keep up Bungalows for their accommodation. The Hurpenhully Bungalow should also be sold.

\* Constructed by the Curum of Antapur, Nursingarow.

With reference to their Proceedings No. 2,610, dated 2nd May 1863.

1. Ordered to be submitted for the information of Government, with reference to their Proceedings dated 29th April 1863, No. 740.

2. The Board observe that the Establishments kept up at the Bungalows of Honnur, Gollah, Parur, and Kogirah, will have been dispensed with under their orders of the 20th May 1863, No. 2,934, and 24th July 1863, No. 4,595, wherein the Collector has been authorized to make over these buildings to the custody of the village authorities. The Government will be informed that the Honnur, Gollah, and Parur Bungalows are not required by the Police and Educational Departments for official use, but that they will always be useful as places of shelter to Officers of the Police and Public Works Departments on their tours; and that for very similar reasons the Kogirah Bungalow also has been retained.

3. The Collector will be requested to report why the establishment at the Jallipetta Bungalow should not be given up at once, as well as the more expensive one at Guntacul, where but one traveller has halted during all last year. The Hurpurhalli and Antapur Bungalows also seem to be unnecessary.

4. As the Madaveram Bungalow is on the Tumbudra on the high road to Secundrabad, it has been allowed to be kept up at the express recommendation of the Acting Collector and District Engineer; but the Board see no reason why the Establishment should not be dismissed, and the building consigned to the charge of the village authorities.
