Proceedings of the Madras Government, Revenue Department, 7th August 1863.

No. 71. Read the following Proceedings of the Board of Revenue, dated 31st July 1863 :—

Read the following letter from M. J. WALHOUSE, Esq., Acting Collector of Trichinopoly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Trichinopoly, 23rd July 1863, No. 135.

SIR,

1. The two Cavilgars* named in the margin, drawing, under the Order of Government No. 748, dated the 9th of August 1850, communicated with the Board's Proceedings, dated the 15th idem, an annual compensation of Rupees 22¼ and Rupees 6 respectively, in lieu of their resumed emoluments as Mencavilgars, have applied to this office for a present consolidated payment in commutation of their allowances. They are aged, Moorogathondaman 63, and Venathilapandiram 51 years, and the Chief Medical Officer of the station has certified them to be in fair health. I accordingly request sanction to pay to the latter named individual, Venathilapandiram, Rupees 54, calculated according to the prescribed scale.

* Moorogathondaman, No. 141 in the register sent to the Board.
* Venathilapandiram as above.

2. In respect to the former individual Moorogathondaman, the yearly allowance drawn by him viz, 22¼ Rupees, is not very far beyond the prescribed limit of 20 Rupees, should the Board see no objection, I would beg to recommend that the necessary sanction be obtained for granting to him a *bonus* of Rupees 155-12-0 being seven years' purchase.

3. The Register kept at this Office of pensions heretofore commuted, has been duly examined as directed in the 6th paragraph of the Board's Circular, dated the 25th of July 1855.

4. The charge involved in the present reference may be met from the provision made in the current year's Budget for B. II, "Allowances and Assignments under Treaties and Engagements,"

Submitted for the sanction of Government.

No. 72. ORDER THEREON, 7th August 1863, No. 1,469.

1. The pension drawn by Venathilapandiram being only 6 Rupees per annum, his application is disposable by the Board of Revenue, under the authority conveyed to them by Extract Minutes Consultation 10th July 1855, No. 831, (*Vide* C. O. 21st July 1855, paragraph 5.)

2. The other applicant is said to be 63 years old. In the Political Department in the case of stipendiaries above 50 years of age, however petty their pensions may be, commutation is only granted upon special grounds. These stipends are payable month by month, but the same objection applies, though perhaps to a less extent, to an annual, as to a monthly, allowance. The applicant is not likely at his age to enter upon any new occupation. His bonus would in all probability be squandered by his family or associates, and himself left to destitution. The Governor in Council is not therefore prepared to sanction the commutation of his pension.
