EDUCATIONAL DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 23rd June 1863, No. 2,926.

Read the following papers regarding the estimates of expenditure under Education, Science and Art in 1863-64.

Section F V, Education, Science and Art of the Budget Estimates of the several local Governments and Administrations.

From Home Department, No. 3,774, dated 12th June 1863.

RESOLUTION.—The Honorable the President in Council observes that the sums estimated for 1863-64 by the local Governments and Administrations on account of charges classed under Education, Science and Art, amount to Rupees 47,17,537, as shown in column 1 of the following table, against an actual expenditure of Rupees 37,96,457 in 1862-63, as reported in the Quarterly Returns furnished by the Auditor General of India.

2. His Honor in Council has been pleased to adopt the figures of the local Governments and Administrations as the Budget Grants for 1863-64, as shown in column 2 of the table (given herein at paragraph 5), excepting the Punjab and British Burmah.

3. The Punjab estimate has been reduced by Rupees 83,994, in consideration of the proposals submitted by the Punjab Government not having received the sanction of this Government in their entirety, and of the fact that while the Budget Grant of 1862-63 was Rupees 3,49,151, the actual expenditure in that year, as ascertainable at present, is Rupees 2,98,010, or Rupees 1,85,984 below the amount proposed by that Government for 1863-64. The plan on which this large additional sum would be expended has not been explained.

4. From the estimate of British Burmah has been deducted Rupees 18,000 on account of Geological Survey, provided for in full in the estimate of the Superintendent of the Survey entered in the Budget of the Government of India.

5. The figures in the second column of the following table are passed, subject, of course, to the operation of the existing rules which require separate sanction for any proposals involving increase of establishments, salaries, &c. :—
