Proceedings of the Madras Government, Revenue Department, 10th August 1863.

No. 89. Read the following letter from D. F. CARMICHAEL, Esq., Acting Collector of Vizagapatam, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Vizagapatam, 20th July 1863, No. 503 :—

SIR,

1. I have the honor to submit three printed Reports of the Municipal Associations of Vizagapatam, Bimlipatam and Vizianagrum respectively ; and to request that orders may be given for the disbursement of Rupees 23,466-9-3, the equivalent of the aggregate collections : as under :—

	Rs.	A.	P.
Vizagapatam	12,081	4	10
Bimlipatam	5,927	8	1
Vizianagrum	5,457	12	4
Total ...	23,466	9	3

to meet which, our District Budget provides Rupees 30,000 under the Head F IX. or Civil Services, Miscellaneous.

2. Each Report succinctly describes the improvements effected, and the work in progress ; and it appears unnecessary for me to repeat that information in this place. I personally take a part in the weekly proceedings of the Vizagapatam Committee, and I have once or twice in the course of the year visited the other towns, and I can safely assert that these Institutions have fairly taken root, and that the taxes are regarded by the Native community as a very trifling impost, in view of the sanitary and other advantages procured by the same.

No. 90. ORDER THEREON, 10th August 1863, No. 1,478.

1. The Government have perused these Reports with much gratification, and desire the Collector to convey their acknowledgments to the gentlemen of the Committees to whose enlightened and earnest labors the success of these voluntary Associations is to be ascribed.

	Rs.	A.	P.
Vizagapatam	12,081	4	10
Bimlipatam	5,927	8	1
Vizianagrum	5,457	12	4
Total ...	23,466	9	3

2. The Government have much pleasure in sanctioning a grant of Rupees 23,466 in the proportions marginally noted to these Institutions for the official year 1862-63. This grant raises their total contributions, since the Institutions were established, to Rupees 44,715.

3. In order to prevent future disappointment the Government must remark that in justice to the necessities of other towns, in which also similar Associations are being formed, they cannot pledge themselves to such continued or extensive assistance as the Committees seem to expect. The Committees may, however, be assured that their laudable exertions are fully appreciated by the Government, and that their claims will always be liberally considered.
