Proceedings of the Madras Government, Revenue Department, 12th August 1863.

No. 109. Read the following letter from the Honorable R. S. ELLIS, C. B., Collector of Madras, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Saidapet, 5th August 1863, No. 50:—

SIR,

1. I have received from Mr. Dale a letter desiring me to return to him the Certificate issued under your signature on the 1st May last, for the land situated at Saint Thomé, known as part of Pugh's garden.

2. This Certificate has not been registered in this Office, because the extent as shown in the Certificate has been calculated on the supposition that the reservation originally made for the conservation of the Adyár river was sufficient.

Vide Government Order, dated 1st May 1863, No. 757.

3. This reservation, as you are aware, has been, since the issue of the Certificate the subject of discussion, and the matter has been referred to the Department of Public Works for decision.

4. I would therefore suggest that the Certificate issued to Mr. Dale on the 1st May last should be cancelled, and a fresh Certificate issued so soon as the extent of the reservation for the conservancy of the Adyár river, has been finally determined.

5. This decision will probably considerably reduce the area of the land as entered in the final column of the specification of land in the Certificate above referred to.

No. 110. ORDER THEREON, 12th August 1863, No. 1,487.

Resolved that the Superintending Engineer of the 4th Division be requested, through the Public Works Department, to submit at an early date a report on the subject of paragraph 3 of this letter.
