*Proceedings of the Madras Government, Revenue Department,
23rd January 1863.*

No. 295. Read the following Proceedings of the Board of Revenue, dated 9th January 1863:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Tinnevely, 1st December 1862, No. 511.

SIR,

1. With reference to the Order of Government, dated 29th July 1862, No. 1,614, communicated to me by the Board on the 30th idem, I have the honor to forward copy of the Report of the Superintendent Pearl Banks therein called for, dated 20th September 1862.

2. On receipt of this Report I called on Captain Phipps on 22nd September, to ascertain from the Superintendent of the Ceylon Fisheries and inform me, if attempts had ever been made, to re-stock the Ceylon Banks, and copy of Mr. Vane's letter, dated 13th November, forwarded to me by Captain Phipps on the 23th idem, is also herewith sent for the information of the Board and Government.

3. I request that any publications on the subject of artificially stocking or replenishing different localities with the edible Oysters, may be procured from England, and supplied to the Superintendent of Pearl Banks at Tuticorin. The Reports of Dr. Killaart referred to by Mr. Vane, have not been forwarded to me by Captain Phipps, and I shall request him to try the experiment of removing some young Oysters to a blank bank, this next season.

1. Ordered to be submitted for the information of Government, with reference to their Proceedings quoted by the Collector.

2. Mr. Silver will be furnished with copy of the Madras Literary Society's Journal, containing Dr. Killaart's Reports on the subject, and will be informed, that application has been made to the Ceylon Government for further information.

3. The Board would however suggest that application to the Home Government for copies of all publications on the stocking of Oyster banks in Europe would be more likely to lead to useful results.

(A true Copy and Extract.)

(Signed.) W. HUDLESTON, *Secretary.*

No. 296. ORDER THEREON, 23rd January 1863, No. 151.

1. Ordered to be forwarded, together with the enclosures, to the Secretary of State, with reference to the correspondence marginally* noted.

2. The Government consider it desirable that Captain Phipps should be furnished with all available information respecting the system adopted in Europe for the stocking of Oyster Banks, and they therefore resolve to apply to the Home Government for copies of the Report mentioned in paragraph 3 of Mr. Vane's letter, as also of any other publications on the subject.
