*Proceedings of the Madras Government, Revenue Department,
22nd August 1863.*

No. 221. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 17th August 1863, No. 629:—

SIR,

I have the honor to forward a copy of a letter from Lieutenant Borradaile in charge of the Salem Forest Establishment. Mr. Yarde having been appointed to act as Sub-Assistant Conservator will of course draw the allowances of that grade whilst he is in charge of the Cuddapah District; the Civil Pay Master, however, states that he cannot pass the abstract in full for the Salem Establishment without a special order from Government, stating that Mr. Yarde is to draw the full salary of a Sub-Assistant Conservator. May I request, therefore, that you will ask Government to pass an order sanctioning Mr. Yarde's salary from the date he took charge of the Cuddapah District.

No. 222.

ORDER THEREON, 22nd August 1863, No. 1,544.
Referred to the Acting Civil Paymaster for early report.

For

The Civil Paymaster is returning the Abstract for these Forests for July 1863. has drawn his pay through the pay of the different men promoted in consequence of the removal of overseer H. H. Gardo to the charge of the Cuddapah Forests. In his return he states "the increased salaries in full to the establishment in the Salem Forests on account of the absence of Head overseer Gardo, can be admitted only under special orders of Government sanctioning the full salary of Mr. Spring Sub assistant Conservator in the Cuddapah Forests to Head overseer Gardo acting for Mr. Spring"

2. To part of Mr. Gardo's pay is drawn in the Abstract for this Forest. on Mr. Gardo's departure I promoted overseer Murray to the increased pay previously drawn by Mr. Gardo and promoted overseer Mahomed Ali in place of overseer Murray. I then made my writer overseer in room of overseer.

Mahomed Ali.

3. In consequence of the Civil Pay Master's refusal to pay the increased rates I find myself either without an overseer without a writer, both of these persons are very necessary but I deem the overseer to be more required than the writer, the pay of the latter however must be met as I cannot be expected to pay him out of my allowance.

4. Under the circumstances stated I have the honor to request that notice be sent in obtaining the special order of Government to pass these charges from the 1st July 1863, the date of Mr. Gaird's departure.

5. Had the Civil Pay Master passed a portion of the allowances the stoppage of the rest would be intelligible but the total stoppage of pay of our overseer seems to be without reason.

I have the honor to be
