Proceedings of the Madras Government, Revenue Department, 22nd August 1863.

No. 225. Read the following Proceedings of the Board of Revenue, dated 13th August 1863:—

Read again letter from the Collector of Tinnevelly, dated 8th June 1863, No. 227, requesting sanction to an estimate of Rupees 310 for making certain repairs to the Government Schooners "Emily" and "Edith,"

(In Cons. 15th June 1863, No. 3,661.)

Read also the following letter from the same Officer, dated 13th July 1863, No. 276.

(In Cons. 20th July 1863, No. 4,601.)

1. Ordered to be submitted for the consideration and orders of Government.

2. In the orders noted in the margin,* the Government sanctioned certain estimates of charges amounting in all to Rupees 976-8-0, for the examination of the Tinnevelly Pearl Banks and the repairs of the Schooners "Emily" and "Edith" employed in guarding them.

3. As Rupees 561-6-3 of the above amount were received in payment for certain stores required from the Grand Arsenal, a Telegram, dated 15th January 1863, was despatched to the Collector of Tinnevelly to remit that sum to the Principal Commissary of Ordnance, who was at the same time requested on receiving it, to make over the stores to the Superintendent of Marine for despatch to Tuticorin.

Board's Proceedings, No. 229, dated 15th January 1863.

4. In the first letter above recorded, the Collector of Tinnevelly forwards an estimate amounting to Rupees 310, as detailed in the margin,† of the probable cost of certain repairs required by the Schooners abovementioned, stating that the stores to the value of Rupees 210 included in it were immediately required, and would be procured by Captain Phipps from Colombo, the urgency of the requisition arising from the delay on the part of the Principal Commissary of Ordnance in meeting the original estimates alluded to above.

5. The Board have learnt from the Principal Commissary of Ordnance that a tonnage Statement for the freight required for the despatch of the stores in question to Tuticorin was submitted to the Superintendent of Marine on the 10th February last, and that that Officer directed them to be shipped on the Steamer "Maharaj," which from damage to machinery proceeded direct to Bombay without taking the stores which were left at the Arsenal awaiting another opportunity. The Superintendent of Marine has been accordingly requested in the Board's Proceedings No. 3,895, dated 26th June 1863, to lose no time in providing for the despatch of the articles, but as it is probable that no opportunity will immediately offer for Tuticorin (upon which point, however, the Superintendent of Marine will be requested to report immediately) and as the Collector and Captain Phipps concur in recommending that the entire amount, viz., Rupees 310, of the present estimate be sanctioned, all the Stores indented for being at all times serviceable for the repair of the Schooners, the Board support the request. Should Government, however, desire that the stores now estimated for (amounting in value to Rupees 210) should not be also supplied from the Arsenal on the original estimate, the Board will instruct the Principal Commissary of Ordnance accordingly, and direct him to return their value to the Collector.

Board's Proceedings, No. 3,895, dated 26th June 1863.

Proceedings of the Madras Government, Revenue Department, 22nd August 1863.

No. 226. ORDER THEREON, 22nd August 1863, No. 1,546.

Sanction is accordingly granted for Rupees (310) three hundred and ten. The stores to be sent from the Madras Arsenal can be reserved for future repairs.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 19th June 1863.

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Tenkasy, 8th June 1863, No. 227:—

1. I have the honor to forward an Estimate amounting to Rupees 310, prepared by the Superintendent Pearl Banks for making certain repairs to the Government Schooners *Emily* and *Edith*, which are now laid up, in consequence of the south-west monsoon having set in, and I request that the Board will be pleased to obtain the early sanction of Government for the same.

2. Captain Phipps states, that the stores referred to in paragraph 2 of the Board's Proceedings dated 19th September 1862, No. 6,292, not having as yet been received, the cost of such stores as are required for immediate use, is also included in this Estimate, in order that the same may be procured from Colombo.

3. The Budget Estimate of 1863-64 contains the necessary provision for the above charge.

ENCLOSURE No. 1.—Estimate.

Before submitting the above communication for the orders of Government, the Board of Revenue resolve to forward a copy to the Principal Commissary of Ordnance, with a request that he will inform them why the articles contained in the List forwarded to him with the Board's Proceedings dated 19th September 1862, No. 6,292, have not yet been supplied to the Collector of Tinnevelly. The Principal Commissary of Ordnance will also be requested to mark in the List herewith forwarded to be returned, the articles in it which are entered in the former List, so as to enable the Board to avoid applying a second time for the sanction of Government for such articles as he is already prepared to supply. An early reply to their Proceedings will be specially requested.
