Proceedings of the Madras Government, Revenue Department, 26th August 1863.

No. 275. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 27th February 1863, No. 407.:—

SIR,

I have completed a Catalogue of all the trees indigenous to the Madras Presidency, nearly five hundred in number; it has been drawn up from notes made during six years' observation in the different forests and jungles of the Presidency. The Botanical synonymy I worked out in England, where I had access to large Botanical libraries and herbariums. An account of the wood of each tree (when known) is entered, and the Native names and localities; I have only given such Native names as I have actually found in use. I have the honor to request that you will obtain the sanction of Government for a few copies to be printed at the Government Press, as the Catalogue will be of great use to the Officers in my Department. I should also wish to forward some copies for the use of the Public Works and Railway Departments. The Catalogue will form a small pamphlet, and will be of great use in showing of what trees the timber is quite unknown.

No. 276. ORDER THEREON, 26th August 1863, No. 1,570.

1. Sanction is granted for the printing of the pamphlet at the Government Press.
2. Fifty copies will be sent to this Office for distribution.
