Proceedings of the Madras Government, Revenue Department, 27th August 1863.

No. 287. Read the following letter from CLEMENT DALE, Esq., the Receiver of the Carnatic Property, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 21st August 1863, No. 123:—

SIR,

I do myself the honor of acknowledging the receipt, this afternoon, of the Proceedings of Government under the date and number noted in the margin, and fearing lest silence on my part might be interpreted into my acquiescence as to the correctness of the statement contained in the Order of Government, dated the 7th of August 1863, No. 2,229, "that (what is there called) the sandy plain is the property of Government and not that of the Begum," I hasten to state that such statement is erroneous, and that Mr. Cunliffe has informed me the land in question forms part of that which was leased by Government and subsequently purchased by the Begum. A reference to former correspondence with Government explains this and the ground on which Mr. Cunliffe attempted to resume the land.

20th August 1863, No. 1,528, Revenue Department.

No. 288. ORDER THEREON, 27th August 1863, No. 1,576.

Communicated to the Board of Revenue for their information. Mr. Dale apparently alludes in the latter part of this letter to the papers recorded in the Order of Government, dated 1st May 1863, No. 757.
