Proceedings of the Madras Government, Revenue Department, 28th August 1863.

No. 299. Read the following Proceedings of the Board of Revenue, dated 11th August 1863:—

Read the following letter from the Honorable R. S. ELLIS, C. B., Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Saidapet, 22nd July 1863, No. 270.

SIR,

1. The Survey Establishment now employed in the town of Madras will, it appears, be occupied longer in the completion of their duties than was at first anticipated.

2. Major Priestley has requested me to obtain sanction for the continuance of the Survey Establishment for two months longer, which will bring them up to the end of next October. He adds that the unexpended portion of the sum estimated for will suffice for this extra charge.

Vide Board's Proceedings 25th September 1860, No. 4,379.

3. The sanction for the Registry Establishment expires on the 15th August next, the work of making the necessary enquiries, entries and registers will, after the completion of the Survey, fully occupy the Registry Establishment up to the end of June 1864. I have the honor to request, therefore, that sanction may be granted for the continuance of the Establishment up to this date. Provision has been made in the Budget for the payment of this Establishment up to the end of the present official year, for the remaining period the necessary funds can be procured by making due arrangements in the Budget about to be submitted for 1864-65.

Submitted for the sanction of Government, with reference to their Order in the Revenue Department, No. 1,682, dated 21st September 1860.

No. 300. ORDER THEREON, 28th August 1863, No. 1,582.

As the requisite funds are available in the Budget for the current year, the Governor in Council sanctions the continuance of the Field Department of Madras Town Survey Establishment to the end of October next, and of the Registry Department to June 1864. The Collector will make efficient arrangements for the supervision of the Registry Department, in order that it may not be unnecessarily prolonged beyond the period for which it is actually required. This sanction will be reported to the Government of India for their confirmation in the usual monthly Statement.
