Proceedings of the Madras Government, Revenue Department, 26th January 1863.

No. 309. Read the following Proceedings of the Board of Revenue, dated 23rd December 1862, No. 8,360 :—

Read again letter from the Collector of Malabar, dated 11th August 1862, No. 167, requesting sanction to an excess Saderwarid charge, over the Standard Estimate, of Rupees 373-13-8 in Fasli 1271.

(In Cons. 16th August 1862, No. 5,156.)

Read also the following letter from the same Officer, dated 8th November 1862, No. 229 :—

With reference to the Board's Proceedings dated 26th August 1862, No. 5,615, I have the honor to forward the Comparative Statement of Saderwarid charges therein called for.

ENCLOSURE No. 1.

ABSTRACT.—Comparative Statement of the amount entered in the Standard Estimate of Saderwarid charges sanctioned by Government for each item, and that actually expended in the District of Malabar during Fasli 1271.

1. Ordered to be submitted to Government with the Board's recommendation that the excess Saderwarid expenditure of Rupees 373-13-8, viz., Rupees 109-2-8 in the Revenue, and Rupees 264-11-0 in the Magisterial Departments, incurred in the District of Malabar in Fasli 1271 be sanctioned.

2. The excess in the Revenue Department is stated to have been caused by the provision of paper for the Village Accounts; and that in the Magisterial Department by an increase of business in the Talook and Sub-Magistrate's Offices since the Acts XXIV of 1859 (for the better regulation of Police) and XLV of 1860 (Indian Penal Code) came into operation, and by the printing of a large number of Forms of Registers, Calendars, Processes, &c., agreeably to the Criminal Procedure Code.

3. The Collector states that the excess charge can be met out of the sum of Rupees 500 estimated for temporary establishment under the head "I Land Revenue" in the Budget for 1862-63, as the pay of the extra establishment proposed to be entertained in the current Fasli amounts to only 100 Rupees; but the Board observe that ample funds (Rupees 8,418) have been provided for Saderwarid and Contingencies in the Revenue and Magisterial Departments, and that the excess charge in question should be met from that source.
