*Proceedings of the Madras Government, Revenue Department,
31st August 1863.*

No. 315. Read the following Proceedings of the Board of Revenue, dated 17th August 1863, No. 5,133 :—

Read again Statement of Inám lands proposed to be exchanged, submitted by the Acting Collector of Vizagapatam under date 8th, and recorded in Board's Proceedings, 20th June 1863, No. 3,682.

Read also the following letter from the same Officer, dated 20th July 1863, No. 501.

In reply to Board's Proceedings dated 20th June ultimo, No. 3,682, I have the honor to state that it is explained by the Principal Assistant, who negotiated the matter with the Inámdar, that the difference in value observed by the Board between the land lost to the Inámdar and the land to be given in compensation, is only nominal. Mr. Longley remarks,—“The lands in this Talook not having been surveyed or classified, their exact value cannot be ascertained. In some villages unproductive lands are highly assessed, while in others productive lands are more lightly assessed. In the present instance, land equivalent *in extent* though less in value to that taken up for public purpose, was chosen by the Inámdar himself, as it probably yields more than the land of greater value the Inámdar gives up.”

Ordered that the Statement be submitted for the orders of Government, with the Board's recommendation that, under the Collector's explanation, the proposed exchange of land be sanctioned.

No. 316. ORDER THEREON, 31st August 1863, No. 1,590.

Sanction is accordingly granted for the proposed exchange of land.
