Proceedings of the Madras Government, Revenue Department, 26th January 1863.

No. 311. Read the following Proceedings of the Board of Revenue, dated 12th January 1863, No. 142 :—

Read the following letter from G. L. MORRIS, Esq., Acting Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Vellum 26th December 1862, No. 489.

SIR,

1. I have the honor to report on paragraph 7 of the Proceedings of the Madras Government, dated 23th November 1862, No. 2,500, forwarded with the Board's Standing Circular, No. 8,160, dated 15th December 1862.

2. The Government consider that the head quarters of the Sub-Collector of Tanjore should be removed to Combaconum, now that the Courts have been transferred to Tanjore.

3. On first reading over this opinion of the Government, it struck me that the people of the Sub-division generally would be inconvenienced by the intended change, in consequence of Mayaveram being very centrally situated ; but on afterwards looking at the position of Combaconum and Mayaveram respectively on the Map, I have come to the conclusion that the opinion of the Government is quite correct.

4. Mayaveram is perhaps slightly more accessible to the people generally of the Sub-division, but it is only so to a small extent, whilst on the other hand Combaconum possesses many superiorities which quite counterbalance this one advantage: it being a very large and important town, and moreover having unoccupied Courts which will be available for a Sub-Collector's Cutcherry, thus saving the Government extra tent allowance whenever the Sub-Collector may be at his head quarters.

Ordered to be submitted for the information of Government, with reference to their Proceedings quoted by the Acting Collector.

(Signed.) W. HUDLESTON, *Secretary.*

No. 312. ORDER THEREON, 26th January 1863, No. 159.

Ordered accordingly that the head quarters of the Sub-Collector of Tanjore be removed to Combaconum.
