SIR,

With reference to Board's Proceedings* noted marginally, communicating the sanction by Government for a sum of 100 Rupees for detaching an English Clerk from this Office to copy out those portions of the Indexes at the Board's Office which relate to this District, I have the honor to inform you that the period (six months) within which the work was expected to be completed, has nearly expired. The amount of work turned out is only half ; I therefore request the favor of your obtaining sanction for a further sum of Rupees 100, for the continuance of the Clerk at Madras till the work is completed. This amount can be met as in the former instance from the funds provided in the Budget Estimate for 1863-64, under the head " Travelling allowances to Establishments."
