*Proceedings of the Madras Government, Revenue Department,
11th September 1863.*

No. 166. Read the following Proceedings of the Board of Revenue, dated 5th September 1863 :—
Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 29th August
1863, No. 139.

SIR,

1. I have the honor to forward the enclosed copy of an application from the Deputy Collec-
tor Ragoonada Row, employed on special duty in this District, to be permitted on account of ill
health to revert to his proper appointment in the District of Trichinopoly.

2. It is impossible to say when the special duty for which this Deputy Collector was sent
to the District will be completed, as the question of submerged lands is, I believe, under the
consideration of the Chief Engineer of the Company, and at all events the time when these lands
can be made over, depends entirely upon their being marked out by the officers of the Company.

3. I beg, however, to point out that the work in this District, owing to the operations of
the Irrigation Company, has increased very greatly, and independently of the special duty of
making over lands, there is urgent need in the District for the continuance of the services of a
Deputy Collector on the withdrawal of Ragoonada Row.

4. I deeply regret the cause which necessitates Ragoonada Row's application to leave
Kurnool, an application which I know he has submitted with reluctance, but which the state of
his health, affected by exposure in his special duties, has rendered unavoidable.

5. I cannot speak too highly of the assistance which this Officer has rendered me in every
way, for the period of two years he has been employed in this District, and I beg earnestly to
recommend him to the favorable consideration of the Board and Government on his return to his
fixed appointment.

6. I trust that the Government will be pleased to afford me the assistance of one of the able
officers of the Inám Commission, to carry out his duties to a completion, and as this service
could only be performed satisfactorily by a man of experience and ability, and incompetency in
the officer would cause me great difficulty, I trust I may be permitted to mention the names of
B. Gopalaya and A. Sudarshana Row, Inám Deputy Collectors, with both of whom I am per-
fectly acquainted, while the selection of either would I am sure meet the end in view.

1. Submitted for the orders of Government.

2. The Board much regret to learn that Ragoonada Row's zealous discharge of his duties has
so seriously affected his health.

No. 167. ORDER THEREON, 11th September 1863, No. 1,683.

1. Under the circumstances stated, Ragoonada Row is permitted to join his station, Trichi-
nopoly, when relieved.

2. The Acting Inám Commissioner will state when the services of the Deputies named by
Mr. Minchin will be available for general duty.

3. The Government are pleased to find that Ragoonada Row has so well performed the
special duties entrusted to him.
