*Proceedings of the Madras Government, Revenue Department,
12th September 1863.*

1. The pension of Rupees 262½ referred to in the above papers, forms a part of an allowance originally granted by Government in the early part of the present century, on the resumption of the Jaghire of Talpool, in the Taluk of Poollenendlah in the Cuddapah, to the Jaghiredar and his brother in equal proportions. On the death of the Jaghiredar, his share lapsed to Government in default of heirs; and on the death of the brother, his share descended to his son, and eventually in equal proportions of Rupees 43-12-0 per mensem each to his two grand-sons in the female line, the sons of two sisters, and named Abdul Mahazeed Khan and Abdul Samat Khan respectively.

2. Abdul Mahazeed Khan having contumaciously declined to support his father and other members of his branch of the family, the Government on the recommendation of the Board, in Proceedings, No. 60, dated 7th January 1859, ordered his share to be equally divided, one-half (Rupees 262½ per annum) being paid to himself, and the other to his father Abdul Mahomed Khan.

3. From the Acting Collector's first report above recorded, it appears that the last named individual (the father, Abdul Mahomed Khan) did not draw any part of the moiety allotted to him, on the ground that the allowance was insufficient for himself and family; and that he died on the 2nd January 1860, leaving his pension undrawn for eleven months; the further delay up to the present time in reporting the case for the orders of the Board being attributed by the Acting Collector to the absence of the present claimant from unavoidable causes.

4. The present claimant is Mukhim Khan, the second son of the deceased and younger brother of Abdul Mahazeed Khan, who is in receipt of the other half of the share as explained in paragraph 2 above. The family left by deceased (besides the claimant and his elder brother above referred to) consists of five brothers and one sister, all his children, and all it is reported in indigent circumstances. The pension to the original grantee, of which the share in question forms a part, was recommended by the Board, on grounds of "expediency and humanity," and is entered in Mr. Ross's Register X as payable "during good behaviour to lineal descendants only."

5. Under the above circumstances the Board resolve to submit the case to Government with their recommendation that the annual pension of Rupees 262½ be granted to the claimant with arrears from 1st February 1859 to 30th May 1863, being four years and four months amounting to Rupees 1,137½.

6. It will be the duty of the Collector to ascertain that the pension, drawn in equal shares by the two brothers, is properly applied for the maintenance of the whole family of brothers and sister, and if mis-applied, to recommend such change of arrangement as may seem proper to ensure the due application of the bounty of the State.

No. 174.

ORDER THEREON, 12th September 1863, No. 1,686.

1. Sanction is granted for the continuance of the annual pension of Rupees 262-8-0 to Mukhim Khan from the date on which he applied for it. The explanation afforded for the great delay in reporting the lapse is not sufficient to enable the Government to pass the arrears.

2. The arrears for eleven months due to the late Abdul Mahomed Khan should not be disbursed to Mukhim Khan, as the former refused to draw them.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 1st July 1863.

Read the following letter from H. G. SMITH, Esq., Acting Collector of Cuddapah, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Madnapalli, 23rd June 1863, No. 90:—

1. With reference to Extract from the Minutes of Consultation under date the 19th January 1859, No. 80, communicated with the Board's Order, No. 242 of the 22nd of the same month, I have the honor to report for the information of the Board of Revenue that Abdul Mahomed Khan (father of Abdul Majid Khan), to whom a moiety, viz., Rupees 262-8-0, out of the amount of Rupees 525, enjoyed by the latter was continued for the support of himself and family, died on the 2nd January 1860. This deceased individual,* did not draw the allowance from 1st February 1859 on the ground that the same was not sufficient for himself and family; it has consequently fallen in arrears.

2. Mukhim Khan, the 2nd son of the deceased Mahomed Khan, and younger brother of Abdul Majid Khan, requests that the allowance may be continued to him in arrears for the support of himself and family; which request the Sub-Collector supports, and recommends that it may be granted to him, with arrears from 1st February 1859 to May 1863, amounting to Rupees 1,137-8-0,* and I beg therefore to request that the Board of Revenue will be pleased to obtain the sanction of the Government for the continuance of the above allowance to the abovenamed individual Mukhim Khan with arrears, Rupees 1,137-8-0.

3. The delay in reporting this case is attributable to the absence of the claimant from unavoidable causes.

The Acting Collector will please to submit his proposals in the prescribed tabular form, and in doing so, to refer to his present letter.
