Proceedings of the Madras Government, Revenue Department, 14*th September* 1863.

No. 183. Read the following Proceedings of the Board of Revenue, dated 3rd September 1863, No. 5,521 :—

Read the following letter from C. W. READE, Esq., Collector of South Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Cuddalore, 17th August 1863, No. 225.

SIR,

1. As directed in paragraph 2 of the Board's Proceedings dated the 14th July 1859, No. 2,758, and with reference to paragraph 3 of the then Acting Collector's letter under date the 20th of the same month, No. 161, I have now the honor to submit a Statement showing the whole amount of stoppages made from certain petty Devastanums in this District.

2. It will be observed that only two cases of the kind are pending disposal, and which, apparently from accident or oversight, have been left unnoticed in my Office for so long a period.

3. I beg to explain as follows in support of the present application. It seems that a sum aggregating Rupees 147-4-9, was deducted from the gross Land Revenue Beriz of certain villages in the Cuddalore Talook on account of "Commarat," "Beetaswara," and which was annually paid to the Trustees of the two Devastanums called "Subbanoyagaswamy" and "Sokanadaswamy," in the proportion noted in the margin, but on receipt of the Order of Government directing that lands be assigned in lieu of money payments to all Hindu Pagodas, the above sum was no longer deducted, and became thenceforth incorporated with the Ayen Beriz and has annually been carried to the credit of Government.

1. Subbanoyagaswamy Devastanum	77	15	3
2. Sokanadaswamy Devastanum	69	5	6
Total ...	147	4	9

* Subbanoyagaswamy.
† Sokanadaswamy.

The payments of the money allowance to the former* ceased after Fasli 1266, and to the latter† after Fasli 1265, having been paid inclusively for those two years.

4. There has been no failure on the part of the representatives of the Pagoda interests to select land in commutation of the money allowance, but the delay in coming to any final arrangement has been partly owing to the neglect of the local officials, and partly to the difficulty of satisfactorily adjusting matters between the Ryots and the Pagoda Trustees.

5. It appears that the Trustee of "Subbanoyagaswamy" Devastanum was only put in possession of the commutation lands in Fasli 1269, and those for the use of the "Sokanadaswamy" Devastanum were only made over in Fasli 1270. For the intervening period, in the former case of two years, and in the latter of four years, there was no money payment made, nor were the lands apportioned, and thus the money allowance is due to both Devastanums for the respective periods mentioned, *i. e.*, to the "Subbanoyagaswamy" Devastanum for Faslis 1267 and 1268 and to the "Sokanadaswamy" Devastanum for Faslis 1266 up to Fasli 1269 both years inclusive, and the amount so due is now claimed by the respective representatives of the two Pagodas.

6. The services and ceremonies of these Temples having been performed continuously and uninterruptedly during the above interval, the Trustees are of course fairly entitled to this money; and therefore under the foregoing detailed explanation, I request the Board will be good enough to obtain the requisite sanction of Government for the disbursement to the above parties of Rupees 433-4-6 as specified in the accompanying Statement: such payment having been previously authorized in cases analogous to the two under notice.
