Read the following letter from Colonel H. C. COTTON, Chief Engineer, to F. AGNEW, Esq., Agent Madras Irrigation and Canal Company, dated Kurnool, 6th July 1863, No. 231.

DEAR SIR,

With reference to Colonel Ludlow's letter* of 19th June 1863, bearing your foot note of 2nd instant,† I beg to say that it is quite impossible for me to judge how long the services of a Revenue Officer will be required in the Nellore District to effect the transfer of land to the Company. The land will be applied for as the estimates are prepared, and I expect the estimates will be prepared within one year from this time.
