*Proceedings of the Madras Government, Revenue Department,
15th September 1863.*

No. 196. Read the following Proceedings of the Board of Revenue, dated 11th September 1863:—

Read the following letter from R. W. NORFOR, Esq., Superintendent of Stamps, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Madras, 10th September 1863, No. 410.

SIR,

With reference to the Proceedings of the Government, dated the 31st August 1863, No. 1,597, communicating a Despatch from the Secretary of State for India of 24th July 1863,

I have the honor to state that in a previous Despatch* from the Secretary of State, it was intimated that out of the quantity of water marked paper applied for by the Government as urgently required, 500 Reams of No. 2 and 850 Reams of No. 3, were to be sent out as soon as possible. It appears from the Despatch of 24th July above quoted that arrangements have been made for substituting paper of size No. 3 for the 500 Reams of No. 2; but no advice appears to have been received of the shipment of the paper. I therefore beg that the circumstance be brought to the notice of Government, with a view to measures being adopted to expedite the supply of the 1,350 Reams.

Submitted to Government with the request that the fact may be brought to the notice of the Secretary of State.

No. 197. ORDER THEREON, 15th September 1863, No. 1,697.

These Proceedings will accordingly be forwarded to the Secretary of State, and he will be requested to take steps for expediting the supply of the 1,350 Reams referred to.

(True Extract.)
