Proceedings of the Madras Government, Revenue Department, 26th January 1863.

No. 331. Read the following Proceedings of the Board of Revenue, dated 16th December 1862, No. 8,189 :—

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 8th December 1862, No. 313.

SIR,

1. I have the honor to request that the Board will be pleased to obtain the requisite sanction for awarding to 1st Dresser L. Nipps, late of this Establishment, the amount of the accompanying bill, viz., Rupees 60-13-8, being his full pay as 1st Dresser on this Establishment from the 6th October to 27th November 1862, both dates inclusive.

2. Mr. Nipps having been pensioned from the 6th October 1862 by G. O. C. C. dated 2nd idem, No. 3,303, he ceased to draw pay as the Dresser on this Establishment from that date, and the pay of the office was not drawn as "vacant" in the Revenue Pay Abstract of this District for the period in question.

3. But no one having been sent to relieve Mr. Nipps in pursuance of the G. O. C. C. above quoted, till the 27th ultimo, Mr. Nipps continued to perform the duties devolving on the Dresser attached to this Establishment till the evening of that date (the 27th ultimo), he therefore claims full pay up to that date, and, having performed the duties, I consider he is fairly entitled to the same.

4. The pay not having been drawn in the Revenue Pay Abstract of this Establishment, and the Office having been denoted "vacant," the Civil Paymaster will probably object to pass the same without special authority. And in requesting that the Board will be pleased to obtain the requisite sanction to the above end, I beg that the Board will further be pleased to obtain the requisite authority for altering the certificate granted to Mr. Nipps by G. O. C. C. referred to in paragraph 2 transferring him to the pension Establishment, so as to secure him his pension from the 28th ultimo, the date from which he actually ceased to be employed in connection with this Department. It would be more convenient if, in accordance to rules, to let the Pension Certificate stand however, and pass the difference by special order.

5. In conclusion, I beg to state for the information of the Board that in a letter dated 4th ultimo, No. 569, addressed by me to the Principal Inspector General, Medical Department, wherein I requested that Mr. Nipps' services might if possible be continued to this Department, with reference to paragraph 13, Chapter XX of the Civil Auditor's Manual, I also requested that such orders might be issued as would secure to Mr. Nipps his full pay for October, then expired, as well as pay at the same rate till such time as he might be relieved. But the Principal Inspector General in his reply simply informed me that the continuation of Mr. Nipps' services could not be sanctioned; the question about pay was not replied to.

Ordered to be submitted to Government with the Board's recommendation that the Dresser be permitted to draw the difference between his pension and his full pay for the interval between the date from which his pension commenced, and that on which he ceased to do duty, viz., from 6th October to 27th November inclusive. The funds are available.
