Proceedings of the Madras Government, Revenue Department, 18th September 1863.

No. 215. Read the following Proceedings of the Board of Revenue, dated 25th August 1863, No. 5,310 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Tenkasy, 4th August 1863, No. 309.

SIR,

1. With reference to paragraph 4 of the Board's Miscellaneous Circular, No. LXVIII, dated 16th June 1863, Board No. 3,531, requesting me to furnish, in communication with the Superintending Engineer, a list of the Imperial works in this District, on which Local Funds are not to be expended, I have the honor to report that the Superintending Engineer states, that until some Local Funds are established, it will be impossible to relieve the Imperial Funds of the charge of maintaining any roads, and I agree with him in this opinion.

2. Captain Moberly informs me that he has already addressed Government to the above effect, in his letter of the 14th ultimo, No. 135.

3. When such a Fund as that proposed by Captain Moberly has been raised, I think that the Imperial and District roads might be divided, according to the accompanying list furnished by, Captain Paxton, late Acting District Engineer, prior to the receipt of the aforesaid Circular.

4. A sketch map is also herewith sent.

ENCLOSURE No. 1.

ABSTRACT.—Roads proposed to be kept up at the expense of Government and from Local Funds in the Tinnevelly District.

ENCLOSURE No. 2.—Sketch Map.

1. Ordered to be submitted for the information of Government, with reference to paragraph 8 of the Government Proceedings dated 27th May 1863, No. 908.

2. The Board observe that there are two sources of income now available in Tinnevelly for the purposes of a Local Fund, but that they are small and fluctuating. These items are the proceeds of avenue clippings, and the surplus collections of the Cattle Pound Fund. The former realized 2,397 Rupees in 1860-61, and only 811 Rupees in 1861-62, the latter realized 1,500 Rupees in 1860-61, and nothing in 1861-62.

No. 246. ORDER THEREON, 18th September 1863, No. 1,722.

Ordered to be recorded.
