*Proceedings of the Madras Government, Revenue Department,
19th September 1863.*

No. 255. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Salem, 11th September 1863, No. 680 :—

SIR,

1. In answer to the Government Order No. 1,274 of the 13th of July last, I have the honor to inform you that it is impossible to ascertain what the demand for Acha-wood might be, but I have no doubt that the forests might be worked at an annual profit for many years of 8,000 to 10,000 Rupees.

2. If a road was opened out either from the north from Denkencottah to Auchitty, or from the south from Penagarum to Auchitty, we should be enabled to work the Acha forests, but the heavy outlay of 60,000 Rupees at which the Collector estimates the latter road at, could hardly be borne by the Forest Department.

3. The Collector of Salem and the Board of Revenue seem to differ as to the advantages which would accrue from a road through this District, but I feel sure that if both these roads were opened for carts a very large tract of land now lying waste might be brought under cultivation. I should not otherwise have recommended* the

construction of a road. The road from Pennagara to Dharampoory is in a very fair state, but there is no track from Penagarum to Auchitty or from Auchitty to Denkencottah passable for carts.

No. 256. ORDER THEREON, 19th September 1863, No. 1,727.

Resolved that orders be issued through the Public Works Department for the preparation of an approximate estimate for an ordinary cart road from Penagarum to Auchitty.
