*Proceedings of the Madras Government, Revenue Department,
22nd September 1863.*

No. 276. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 8th September 1863, No. 674:—

SIR,

I have the honor to forward a letter from Lieutenant J. W. Ouchterlony of Her Majesty's 105th Foot, late Assistant Conservator of Forests in relation to G. O. No. 1,357, dated 1st July 1863.

From Lieutenant J. W. OUCHTERLONY, Her Majesty's 105th Foot, late Assistant Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 4th September 1863.

SIR,

1. I have the honor to request that I may be allowed to submit the following remarks in reference to the Order of Government 21st July 1863, No. 1,357.

2. In the routine of the duty which I had to discharge as Assistant Conservator of Forests in the Salem Department, I had to receive trivial sums of money day by day for the sale of jamboo and firewood tickets, and such sums of money were necessarily kept by me, since it would have employed my whole Establishment to have sent them regularly to the nearest Treasury. Further, I had to draw every month the pay of the Department, amounting to several hundreds of Rupees, and distribute it, but not at once, for, scattered as its members always are, this could only be done as opportunity offered. In the interval, the money unavoidably remained under my personal charge. No guard was allowed or available for this, and I could only secure it, as I did, in the strongest box I possessed.

3. So entirely was this unavoidable insecurity recognized by Captain Beddome's predecessor, Major Morgan, that the latter Officer had authorized my purchasing an iron cash chest, which I was about doing, when Captain Beddome on his visit to Salem (just before the robbery) told me to refrain from the purchase, as he was about to institute new Rules, under which no Government money would for the future be left in the Assistant Conservator's custody.

4. Under the foregoing circumstances I trust the Government will be pleased to relieve me from the responsibility of paying the sum stolen, viz., Rupees 63-6-9.

No. 277. ORDER THEREON, 22nd September 1863, No. 1,738.

1. The Government are unable to relieve Lieutenant Ouchterlony of his responsibility for the sum of Rupees 63-6-9.

2. Lieutenant Ouchterlony ought not to have left so large a sum as Rupees 247 in his house during his absence, the Collectorate and Talook Treasuries being both close at hand. He must therefore make good the sum actually lost, viz., Rupees 63-6-9.
