SIR,

1. I beg to submit for the consideration of Government and for entry in the Budget of 1864-65, a Plan and Estimate* for the construction of a Sea Custom house at Coringa.

* Rupees 7,270.

2. This Plan has been drawn out at the requisition of, and according to a design made by the Acting Collector.

3. It appears well suited for its proposed object.

4. The Estimate has been checked in this Office.

5. Mr. Morris states that he thinks the accommodation provided quite sufficient for the present, and observes that should the Store-room eventually prove too small a shed may be built in the compound for the accommodation of goods, the area of the compound itself being increased.
