Proceedings of the Madras Government, Revenue Department, 27th January 1863.

No. 343. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 12th January 1863, No. 319 :—

SIR,

As Captain Gib is being relieved from his travelling duties in Mysore, and as the whole of his salary and establishment are now debited against the Wynaad forests, extended operations are necessary in those forests, and he has applied for an extra sum of 2,000 Rupees to be expended during this official year in felling Teak, I have the honor to request that you will obtain the sanction of Government to a special grant of Rupees 2,000 for this purpose. There will be no savings in this year's Budget under the head of Working Charges from which I can meet this, but if allowable it can be met out of the savings of the salaries of the First Class Assistant and of the Assistant Conservator for the Neilgherry Sholas.

No. 344. ORDER THEREON, 27th January 1863, No. 175.

The Government are unable to authorize any special grant. They however see no objection to the savings alluded to by Captain Beddome being used for working the Wynaad forests. The Accountant General will be requested to issue the necessary instructions.

(Signed.) J. D. SIM,
Secretary to Government.
