Proceedings of the Madras Government, Revenue Department, 5th October 1863.

No. 51. Read the following Proceedings of the Board of Revenue, dated 30th September 1863:—

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Calicut, 23rd September 1863, No. 211/1863.

SIR,

1. I have the honor to acknowledge the Board's* call to report on the Acting Inám Commissioner's proposal that the Inám Settlement in Malabar should be carried out under my superintendence; a sum of Rupees 200 per mensem being placed at my disposal to entertain the extra hands required.

* Dated 18th September 1863.

2. I had seen Mr. Blair's letter and Memorandum before their submission, and beg to express my willingness to undertake the work as he suggests.

3. The rules proposed have my general approval, and do not seem to call for further remark at present.

4. I pointed out to Mr. Blair, however, that I did not think the settlement could be completed within the period he mentions, viz., within the current official year and I can hardly say without further enquiry, and some practical experience, how long it may ally take.

5. I have several very important operations progressing in the rict, the Talook and and village servants are all busy at present, I cannot therefore secure the Inám question as undivided attention, or perhaps as speedy progress, as might be the case if other important matters had not to be simultaneously attended to.

6. Nevertheless, under all the circumstances, I cannot advocate the enquiry being postponed, and will endeavour to have it, if entrusted to me, as speedily completed as possible.

Submitted for the orders of Government, with reference to their Proceedings dated 16th September 1863, No. 1,701, Revenue Department.

No. 52. ORDER THEREON, 5th October 1863, No. 1,820.

The Board of Revenue have not given their opinion on the proposal of the Acting Inám Commissioner to entrust the Inám Settlement in Malabar to the Collector of that District and on the draft of instructions for the guidance of the Officers who are to be employed in that Settlement prepared by Mr. Blair. They are requested to supply the omission at an early date.
