*Proceedings of the Madras Government, Revenue Department,
5th October 1863.*

No. 53. Read the following Proceedings of the Board of Revenue, dated 25th September 1863:—

Read the following letter from M. J. WALHOUSE, Esq., Acting Collector of Trichinopoly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Trichinopoly, 22nd September 1863, No. 183.

SIR,

1. I have the honor to forward a letter from S. Appasawmy Moodeliar, the Deputy Collector in charge of the Treasury here, and to solicit for it the indulgent consideration of the Board.

2. The long and faithful services of Appasawmy, extending over thirty years, merit some attention, and though it may not be generally practicable or convenient to admit such pleas, the Board will be aware that to a Native of his years, who has lived always in the interior, a transfer to the climate of Malabar is a severe trial.

3. Though not enjoying strong health, Appasawmy has been here an efficient officer, and performed his work carefully and satisfactorily, and I shall much regret the loss of an officer in whose painstaking care and trustworthiness I could place full confidence. These qualities and the general respect he is held in here made him peculiarly useful in the Treasury Department, and I would venture to suggest that should he join Malabar he should be put in charge of the same Department there, in consideration of his long service, and because he feels that his ignorance of Malayalam would impede his usefulness in the Talooks.

Submitted for the favorable consideration of Government.

No. 54. ORDER THEREON, 5th October 1863, No. 1,821.

Considering the length of Appasawmy's service, his transfer from Salem owing to ill health, his subsequent illness in Trichinopoly, and the Acting Collector's statement that he does not enjoy "strong health," the Government deem it desirable that the Civil Surgeon of Trichinopoly should certify as to his fitness for further service or otherwise. Mr. Walhouse will accordingly direct Appasawmy to appear before the Civil Surgeon, and forward the latter Officer's Certificate in due course.
