*Proceedings of the Madras Government, Revenue Department,
8th October 1863.*

No. 104. Read the following Proceedings of the Board of Revenue, dated 23th September 1863, No. 6,153:—

Read the following letter from R. W. NORFOR, Esq., Superintendent of Stamps, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 18th September 1863, No. 410 of Fasli 1273.

SIR,

1. I have the honor to acknowledge receipt of Extract from the Board's Proceedings dated 16th September 1863, forwarding copy of a letter from the Officiating Inspector General of Ordnance, and a Packing Account of water-marked paper and Adhesive Stamps transmitted by the Ship "Nile," which vessel left England on the 11th June, and is due at this Port.

2. The reference here on the subject of shipments of stamped paper asked for in my letter to the Board of the 10th September 1863, No. 410, will now be unnecessary, the 1,220 reams shipped being part of the 1,350 reams expected. The contents of case 486 7 reams will doubtless be explained when the invoice arrives.

3. The arrival of the share transfer Stamps will put an end to the anomaly now existing in the use of Foreign Bill Stamps for the transfer of Bank shares. I shall communicate with the Board regarding the issue of the new Adhesive Stamps on receipt of them. It will be necessary to store the whole of the water-marked paper temporarily in the Arsenal owing to want of space in this Office.

4. The paper marginally noted in Colonel Barrow's letter is not for this Department.

ENCLOSURE No. 1.—Packing Accounts.

1. Ordered to be communicated to the Inspector General of Ordnance, with reference to his letter dated 15th September 1863, No. 4,126 and that the Packing Account be returned to him. The paper mentioned in paragraph 2 of his letter is probably for the Accountant General's Department.

2. Copy of the Superintendent's letter will also be submitted for the information of Government, with reference to their Order dated 15th September 1863, No. 1,697, in Board's Proceedings No. 5,732, dated 11th September 1863.

No. 105. ORDER THEREON, 8th October 1863, No. 1,846.

These Proceedings will be brought to the notice of the Home Government, with reference to the Despatch from this Government, 26th September 1863, No. 103.
