*Proceedings of the Madras Government, Revenue Department,
8th October 1863.*

No. 108. Read the following Proceedings of the Board of Revenue, dated 24th September 1863, No. 6,079 :—

Read the following letter from the Honorable R. S. ELLIS, c. B., Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Saidapet, 18th September 1863, No. 361.

SIR,

The Board are probably aware that the rent of the pasture in the Esplanades in Madras is annually put up to auction and sold to the highest bidder. In Fasli 1271, the rent was held by one Annathai Mudali for eleven months at Rupees 2,050. In this Fasli, certain lands in the Esplanades, measuring Cawnies 19-22-2,386½, were occupied temporarily for municipal and other public purposes; the Contractor claimed compensation in the sum of Rupees 375. The Deputy Collector of Madras after careful inquiry into this claim, proposes to award compensation to the Contractor in the sum of Rupees 165, which is the proportionate rent of the extent of his holding lost to him as above shown, as well as 75 Rupees which may be deemed a fair award for the profit he would have gained upon this portion, had he had been allowed to retain it agreeably to the terms of his contract. The sum to be awarded amounts, therefore, to Rupees 240, and as the renter has paid the entire rent into our Treasury, this compensation will have to be disbursed from the sum paid by the renter.

The Board authorize the Collector to refund to the Renter Rupees 165, being the amount collected from him on account of the land occupied for public purposes, and resolve to solicit the sanction of Government for the payment of Rupees 75 as compensation for losses sustained. This petty charge can be met from any savings in the Budget.

No. 109. ORDER THEREON, 8th October 1863, No. 1,848.

Sanction is accordingly granted for Rupees (75) seventy-five.
